Language Arts, Per. _____

Response to Grading

Assignment: _____ Date: _____ Grade: _____

Please carefully read and consider the comments on your paper and how you could improve your writing on this assignment. Pay attention to circled errors and figure out how to fix the errors.

Record grading comments, corrections, and suggestions:

A. Assignment formatting—four-line heading, double-spacing, font, margins, ¶ indentation:

B. Bibliographic citation and in-text citations—use and document correctly: _____

C. Plot summary—give a complete sense of the who, what, where, when, and why of the story:

D. Analytical response—provide a topic sentence that expresses ONE main idea for the paragraph and then support that idea with discussion, explanation, and enough **evidence from the text**:_____

E. Conventions—correct spelling, punctuation, syntax (avoiding awkward sentence structure), possessives, plurals, and capitalization: _____

1. What would have the *most* effect in improving the CONTENT (discussion and support) of your essays? In the space below, write ONE or TWO goals.

2. What would have the most effect in improving the ORGANIZATION and UNITY of your essays? In the space below, write ONE or TWO goals.

3. What would have the most effect in improving the SENTENCE SKILLS in your essays? In the space below, write THREE troublesome boo-boos you will proofread specifically for in your next essay.
